

# Supercharge your training...

Our **GDPR 'Refresher' Training** course includes these essential checkpoints plus many more...

- ✔ **Don't** use pre-ticked boxes, opt-out boxes or other default settings.
- ✔ **Do** only use an individual's data in ways they would reasonably expect.
- ✔ **Do** use plain and simple language to write your privacy notice.
- ✔ **Do** delete Personal Data as soon as it becomes surplus to requirement.
- ✔ **Do** take confidential phone calls / video calls in private meeting rooms.
